Hello Friends!

We have added another art-worthy Rappahannock event for this Sunday that wasn't included in last week's Look & Listen!!

Warm wishes from all of us at RAAC.

**Spaceship Earth—What Can I Do? And Live Music!**  
This Sunday, October 24, 2021 4PM-5:30PM. Storyteller, musician and artist, Laurie Dameron will present a multimedia program featuring simple things we can do to make a healthier and sustainable world, followed by original compositions. Laurie D is a trained Climate Reality Leader/Speaker, Chair of Environmental and Sustainable Development for Business and Professional Women (BPW) and a two-time Billboard Magazine Award Recipient. Hosted by Living Sky Foundation, the event takes place at Sperryville ARTist Cooperative, 3 River Lane, Sperryville River District. Sperryville, VA. Suggested donation is \$10 per family. Required RSVP at [lsf@livingsky.org](mailto:lsf@livingsky.org). Phone: 540-987-9288. [CLICK HERE](#) for details.
